

Merry Christmas

from the mcintosh family

Dear Friends:

Merry Christmas 2011! It is the most WONDERFUL time of the year. Isn't it an incredible miracle that God became a baby?

For the first time in several years we are in Canada for Christmas. We came back to Canada at the end of October to participate in The Global Summit and annual RD and General Executive meetings. With the Impact School of Missions opening in September 2012 we have trekked across Canada to visit Bible Colleges and youth/young adult ministries to let students know they can come and serve in South East Asia through ISM. We have also been in meetings and Churches on a daily basis to connect with our support base. We are thanking God for favour! The school of missions has been very well received and we look forward to seeing lives changed through ISM.

We are blessed to be able to bring our daughter from Australia to Canada as well. Our families are thrilled to be able to celebrate with all of us, including Ashton's boyfriend, who will be joining us for about 1 week. This truly will be a family Christmas.

We want to thank you, our friends and supporters for your continued love, support, prayers and encouragement. We can only serve in South East Asia because of your faithfulness. We are truly excited about what the Lord is doing in our region. He is bringing more and more workers, which are greatly needed, He is helping us partner with National churches and leaders in all the nations in our region and we are watching the transforming power of the Holy Spirit change lives. We believe we are living in historic times for our part of the world. We continue to meet with families who are realizing that it's their turn to GO! Together with our supporters we've been praying for labourers and God is answering our prayers.

We pray your family has a wonderful Christmas filled with JOY UNSPEAKABLE! May His love and peace flood your lives, homes and neighbourhoods this holiday season. God bless you. Together we are impacting South East Asia.
