

The Stewart Family Update

January 2012

Real Kids, Real Faces, Real Problem

FACTS

- Approximately 75-80% of human trafficking is for sex.
- Thailand and Brazil are generally considered to have the worst child sex trafficking records.
- Human trafficking is estimated to surpass the drug trade in less than five years.
- Over the past 30 years, over 30 million children have been sexually exploited through human trafficking.

Just Love is the ministry of PAOC Missionaries to Thailand Scott & Jodi Stewart.
