The Silva Update!

MERRY CHRISTMAS! It's been such a joy for us to be able to celebrate the season with family & friends in our beloved homeland. The month was also packed with many great events that we had the honour of participating in! WM hosted a great missionary luncheon early in the month at APC in Scarborough where Sandra Gill & her team did a fabulous job in taking care of all the missionaries that attended. How incredible it was to meet some very inspirational people so faithful in their call to serve the Lord! Another great event was an awesome Christmas dinner put on by the missions committee of Woodvale, Hamilton! The definite highlight of the month (apart from celebrating Christmas) was the incredible opportunity to be a part of a Tamil Sri Lankan outreach event on Boxing Day. It was organized by passionate Tamil people in Scarborough that desire to reach their lost relatives & friends in their community. The event was a huge success as almost 200 people came - PRAISE GOD! Sarah & Judah got to sing "My Jesus is Alive" in Tamil as well as perform a Tamil dance (Sarah did most of the work, Judah just wanted to be in front of people!). Desirea was interviewed with regard to our experience in India and got to share some of the needs of the children as well as touched on some of the great things that the Lord accomplished in our time in India. Later that night Charles was given the great privilege of sharing about the journey the Lord has our family on as well as give a simple salvation message. The Lord continues to open the door in helping us to build relationships with many incredible people and it's so exciting for us to be able to share the new chapter of ministry in our lives. Please keep us in prayer as we get closer to SL! In Christ's Service - Charles, Desirea, Sarah & Judah.
